

► NEW ITEM: THE “DOUBLE-SAFETY” P2000

THE “DOUBLE-SAFETY P2000” PUMP: the safe ecological pump!

The newest item of the range, the “double-safety P2000” has been created by EMBELIA to respond to 2 major concerns: Safety & Recyclability !

- “Double-safety” for a better protection of your products
 - A “3-in-one” tamper-proof accessory
 - The tamper-evident ensures that the product has not been opened prior to sale
 - The spout protector protects the hole from dust, pollution and all kind of contamination
 - The blocking clip blocks the pump avoiding priming when on the shelf
 - A screw pump, very difficult to unscrew to avoid the opening of the bottle
- Ecological
 - When the bottle is empty, it is possible by forcing to separate the pump from the bottle
 - Optimization of sorting and recycling

About 20 EMBELIA bottles suitable for this pump

The “double-safety P2000” pump needs to be used with bottles having a “GCM1 28.410 Invio” neck, a EMBELIA speciality. Thereby, 4 ranges of 500 ml to 1 liter bottles have been especially developed to suit this new pump.

► BENEFITS OF THE RANGE

The P2000 pump: a functional and customizable care dispenser

- **Suitable for a wide choice of formulations** thanks to its “Pure-Path” technology
 - Metal-free fluid path
 - Allows your brand to use more natural, metal-sensitive product formulations
- **Compatible with most of our bottles ranges** thanks to its GCM I (24.410 or 28.410) neck
- **2cc output dispenser**
- **Locking position:** locked-up
- **Customizable**
 - Various colours on order
 - Dedicated accessories
 - The screw cap, the head and the deep-tube length are customizable (on order) according to your needs
 - Smooth or ribbed screw cap
 - Standard head (in stock) or “Belle” head (on order)
 - 250 mm deep-tube length (in stock) or various lengths (on order)

Some especially dedicated accessories

- **A “3-in-one” tamper-proof accessory**
 - Reusable as a cap
 - Once the tamper-evident is broken, it is possible to take-off the clip and the spout protector
 - They can be reused as a cap
 - Compatible with the standard head only
 - Natural colour in stock, various colours on order
- **“Belle”: a large, comfortable and widely customizable head**
 - Comfortable and easy to use thanks to its large size
 - Bi-injection, it increases the possibility of customization (on order)
 - Two-colours to be chosen among a wide choice of colours
 - The center of the head can be graved or embossed with logo or symbol
 - Possibility of using Soft-Touch materials in the center of the head
 - Colour in stock: white / white soft-touch
 - Incompatible with the tamper-proof accessory
